

Skyview Acres Neighborhood Meeting. June 21, 2023

Meeting called to order at 6:00pm at the home of Linda and Rex Davis, 1300 Cielo Vista del Sur by president, Linda Davis.

Guest speaker was Darrell Dady who is Neighborhood Coordinator for Bernalillo County. He spoke about the website www.bernco.gov which posts activities and info including summer movies, backyard farming classes, art classes, activities for kids and adults, and meetings. For general information, we can also call 311 or 505-468-7777.

John Barney of Bernalillo County Parks and Rec was supposed to attend to give an update on the Patricia Circle park, but he was unable to attend so that report is postponed till a later date. Property for the park was donated from the estate of Laura May Holdan. Linda introduced her heirs, Jeralyn and Curtis Holdan who were in attendance, and the group thanked them for the donation. The land has been signed over to Bernalillo County and further progress is in the hands of the attorneys.

Treasurer, Anna Brown read the minutes of the last meeting and gave a treasurer's report. The checking account has \$158.57 and the savings account has \$1867.39. It is now time for everyone to pay their annual dues which have been raised to \$10 per household.

Linda passed around a sympathy card to sign for the family of John Harvell, long-time board member who recently passed away.

Anna Brown reminded everyone that neighborhood news is posted at the kiosk in the Skyview Acres Park and on Facebook. Everyone should put SVA stickers on the back passenger window of their cars so we can distinguish which cars belong in our neighborhood. She also reminded everyone to read their newsletter which covers some of the following topics and projects which are of neighborhood interest:

- *The noise issue at the Salt Yard
- * Pothole & street maintenance
- *Weed control and clean up
- *Park Maintenance
- *Neighborhood safety and Security including possible solar power cameras.

Anna presented the slate of nominated new officers as follows:
